

*Curriculum Vitae*  
**Norie Momiyama**

Date/Place of Birth: May 11 1976 / Toyokawa, Aichi in Japan

Work Address: Institute for Molecular Science  
SOKENDAI  
(The Graduate University for Advanced Studies)  
Higashiyama, Okazaki, Aichi 444-8787, Japan

E-mail: momiyama@ims.ac.jp

Telephone: +81 (564) 59-5531

**Education and Professional Position**

Jun. 2014 – present Associate Professor, Principle Investigator  
Institute for Molecular Science  
SOKENDAI  
(The Graduate University for Advanced Studies)

Oct. 2006 – May. 2014 Assistant Professor  
Department of Chemistry  
Graduate School of Science, Tohoku University

Nov. 2005 – Sept. 2006 Post-Doctoral fellow with Prof. David R. Liu  
Department of Chemistry and Chemical Biology,  
Harvard University

Jul. 2002 – Dec. 2005 Ph.D.  
Thesis title “The Development of Nitroso Aldol Reaction”  
*Advisor:* Prof. Hisashi Yamamoto  
Department of Chemistry, The University of Chicago

Apr. 2002 – Jun. 2002 Ph.D. graduate student  
*Advisor:* Prof. Hisashi Yamamoto  
Graduate School of Engineering, Nagoya University

Apr. 2000 – Mar. 2002 M.Sc.  
*Advisor:* Prof. Hisashi Yamamoto  
Graduate School of Engineering, Nagoya University

Apr. 1996 – Mar. 2000 B.S.  
*Advisor:* Prof. Hisashi Yamamoto  
School of Engineering, Nagoya University

**Awards**

- Morita Science Research Award 2014
- Central Glass co., LTD Award in Synthetic Organic Chemistry 2014
- Thieme Chemistry Journals Award 2008
- Damon Runyon Cancer Research Foundation Post Doctoral Research Fellowship, 2005-2006
- Abbott Laboratories Graduate Fellowship, 2005
- The Elizabeth R. Norton Prize for Excellence in Research in Chemistry, 2002-2003, U of C, May 2003
- Second Prize – Organic Chemistry Poster Contest, U of C, Mar. 2003

**Society Membership**

- The American Chemical Society
- The Chemical Society of Japan
- The Society of Synthetic Organic Chemistry, Japan
